

The best thing about heroes...

*...is that they're always there when you need them.*

Recently, Senator Laurie Monnes Anderson voted to improve the quality of child care for local families—reducing turnover among child care providers and making child care more affordable and accessible. And the people who care for our children finally have a voice in helping to improve the quality of care for our children.

Because of Laurie Monnes Anderson, our kids will get the attention and care they deserve.

*Thanks, Laurie!*
